

CHÂTEAU TROTTEVIEILLE 1st Grand Cru Classé – Saint Emilion 2012 Vintage

GEOGRAPHICAL SITUATION: On the top of the Saint-Emilion plateau. South west facing vines

Surface: 12 Ha

Soil: Limestone covered with a thin layer of 30 cm of clay

GRAPES VARIETIES: Cabernet Franc: 45% - Merlot: 50% - Cabernet Sauvignon: 5%

WEATHER CONDITIONS:

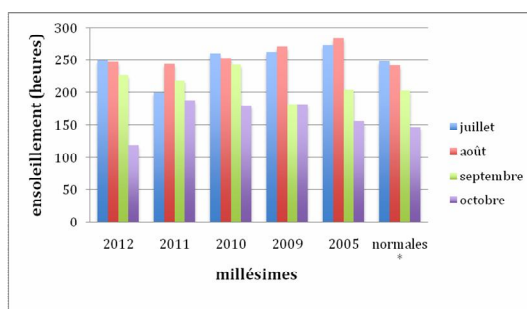

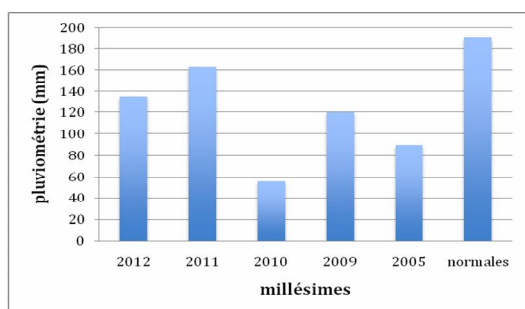

Winter has been quite mild to finish by an intense cold and show spring's eve.

With heavy and numerous rains during the spring, virus diseases have appeared regularly and we fought them with light adapted treatments.

Flowering appeared rather late, and lasted. The result has been millerandage and coulure which explains a reduced yield.

Second half of July, good weather arrives and a hot and dry summer took place.

Autumn rain has pushed us to harvest late all grape varieties for all our Estates.

PICKING:

Handpicking

Merlots: October 1st and 2nd

Cabernets: October 12th et 13th

YIELD / BLENDING:

MERLOT	CABERNET SAUVIGNON	CABERNET FRANC	PETIT VERDOT	YIELD/ha	GRAND VIN/ha
49 %	3%	48%	-	24 hl	24 hl
